

Full Day Macau Tour (SIC, Depart from Hong Kong)

■ Hong Kong

Type: Classic

Tour Overview

Just one hour on the ferry will bring us to Macau, known as the “Las Vegas of Asia” and the epi-centre of glitz and gambling.

We will see the Statue of Kum lam, and there’s the option to take in the panoramic views of the Pearl River Delta from the observation deck on level 61 of the Macau Tower.

Beyond the world-class entertainment and futuristic buildings we will find the unique heritage and culture of this ex-Portuguese colony. The historic centre of Macau is a UNESCO World Heritage Site. Here we will find A-Ma Temple, built 400 years ago in homage to a girl who saved the lives of seamen. We will take in the sights with a walking tour from the Ruins of Sao Paulo through Ladies Street and the old town to the beautiful Senado Square.

And of course, no visit to Macau would be complete without a quick flutter in the casino!
